FIDE Events Commission

Annual Report 2019

I would like to give information about the work of Events Commission at 2019 and plans for 2020.

Events Commission had a very busy and hard-working year at 2019. We could say that we achieved all our targets for 2019.

We did not have remarkable complains or problems at FIDE EVE tournaments at 2019, they had been organized at a satisfactory level.

Primarily we solved some issues about year 2019 tournaments. Those issues were the clashing dates of the tournaments, requests received to change of the cities or change of the dates of the tournaments.

At the beginning of the year 2019, Tunisia informed FIDE that they could not able to organize FIDE World School Chess Championships 2019. Then it was awarded to Turkey due to the previous decision of Presidential Board. It was organized successfully in a very short period at Antalya / Turkey.

As usual we dealt with and approved all invitations of tournaments which also including regulations. On the other hand we supported organization and preparation of some tournaments.

EVE worked on amendments in bidding procedure including also related regulations amendments and send draft proposal to Presidential Board at Baku.

New Annex Bidding form was prepared with the cooperation of FIDE Lausanne Office and it was approved by Presidential Board.

There were also serious clashes in the FIDE EVE Tournaments calendar for year 2020. Those clashes were fixed and new dates were announced in the first part of the year by working together with ECU and tournament organizers.

EVE sent FIDE Technical Delegates to all major and critical tournaments.

Regarding decision of FIDE Presidential Board at its meeting held on June 28, 2019 in Baku, EVE reopened Call for bids for the three of the 2021 tournaments below.

- World Amateur Chess Championships 2021
- World Senior Chess Championships 2021
- World Senior Team Chess Championships 2021

Call for bids for the other 2021 tournaments below announced at 19th of November with the deadline of 29th November 2019.

- World Junior Chess Championship 2021
- World Youth U16 Chess Olympiad 2021
- World Youth (U14, U16 & U18) Chess Championships 2021 (Africa)
- World Cadets (U08, U10 & U12) Chess Championships 2021 (Africa)
- World Youth & Cadets Rapid & Blitz Chess Championships 2021

The bids for 2021 tournaments received and awarded country will be decided at Executive Board meeting at February 2020.

By taking into consideration of EVE proposal, FIDE Presidential Board decided to transfer Peru's right to organize the World School Chess Championships from 2020 to 2022 due to the unstable situation in the leadership of Peruvian Chess Federation.

Peru's right to organize the 2022 World School Chess Championships comes into force if, no later than March 10, 2020, the Peruvian Federation presents guarantees of state support for the World School Chess Championships 2022 and the Presidential Board recognizes them as satisfactory at 1st quarter 2020 meeting.

Presidential Board also decided to re-open bidding procedure for the World School Chess Championships 2020 with the bidding deadline no later than December 13, 2019.

After bidding procedure Presidential Board decided to award Panama City/Panama for the FIDE World School Chess Championships 2020.

Presidential Board also decided to award Nakhchivan /Azerbaijan for the FIDE World Youth U16 Olympiad 2020.

EVE worked on amendments in bidding procedure including related regulations amendments and sent draft proposal to Presidential Board for Baku PB meeting and continued to work on bidding procedure

EVE Website launched with the new format and now it is working up to date.

We organized three International Organizer Seminars directly by EVE. Those were at Antalya/Turkey during World School Championships 2019, at Manzanillo/Mexico during World Amateur Championships 2019 and at Ulcinj/Montenegro during European Clubs Championships 2019.

EVE also organized two Online International Organizer Seminars at 2019

EVE appointed Appeals Committee Members of tournaments by taking proposals of organizers. EVE also coordinated appointments of Chief and Deputy Arbiters of the tournaments with the Organizers and Arbiters Commission.

We organized two Commission Councillors meetings. First one was organized at Antalya in March 2019 and second one was organized at Ankara in December 2019.

Miscellaneous:

- We participated to the Arbiters Commission meeting and working in cooperation with them at 2019.
- We organized a meeting together FIDE and ECU Arbiters Commission Chairmen's at Bratislava.
- We are planning to organize at least one more internet based IO Seminar till end of the year.

Plans for 2020:

- Continue to work on tournament regulations amendments and new tournament formats
- Work on update and improve EVE website
- Continue to work on IO Seminars standards and process
- We are preparing some changes about tournament regulations, procedures, IO Titles and IO Seminars
- We will restructure task sharing organization of commission.
