1st Workshop
"Equal Opportunities"

19-22 September, Thessaloniki, Greece

The purpose of this workshop is to introduce and explore important information about chess players with disabilities. We will explore the value of chess and offer basic skills for interacting with and supporting people with disabilities acting as Organiser, Trainer and Advisor.

The following are the goals of the workshop:

- Increase participants' awareness of disability issues and disability matters.
- Educate Chess Admins, Trainers & Organisers regarding special conditions of open disabilities.
- Address about Chessnet programs and activities related with sports & disability.
