Genoa, Italy

April 19-30, 2023

## TECHNICAL REGULATIONS

### 1. Governing regulations.

The 2023 IBCA European Team Championship for the Blind and Visually Impaired shall be played according to the FIDE Laws of Chess, the FIDE General Regulations for Competitions, the applicable IBCA Rules, and present Technical Regulations. At any time, any circumstance or unforeseen situation not covered by the above regulations shall be referred to the IBCA President for a final decision.

### 2. Team composition; team lists.

As per the Invitation, every team shall include four (4) players and up to two (2) reserves. When registering a delegation, every team shall designate a team captain. A captain may be one of the players or the reserve, or another member of this team's delegation.

The captain shall submit the preferred board order ("starting list") for his team by the start of the Technical Meeting (see Art. 7 "Schedule"). If a team captain does not submit such a list on time, the board order for that team is fixed in the order that the delegation used when sending its registration, subject to the rating difference condition below.

The board order for every team shall comply with the following condition. For every pair of players (P1, P2) on the same team where player P1's FIDE standard rating is more than ninety-nine (99) points higher than player P2's FIDE standard rating, player P1 shall be assigned to a higher board than player P2. All ratings are according to the April 2023 FIDE Rating List.

As per the FIDE Regulations (FIDE Handbook, §C.10, Article 7.1) the captain is required to deliver at a specific time a written list naming the players in his team participating in each round, If the list is not delivered by the required time, the team list for that round shall be the first four named players in the "starting list". The times required to deliver the lists for each round will be announced at the Technical Meeting. The captain shall communicate the board order and the pairings to his players.

### 3. Format & system.

The tournament shall be played as a nine (9) round Swiss system event. The teams listed first in each pairing shall have the White pieces on the odd-numbered boards and the Black pieces on the even-numbered boards.

## *“Together We Can”*

### **4. Time control; default time.**

The time control per player shall be (90'/end + 30" incr. starting from Move 1), i.e. ninety minutes for the whole game plus thirty seconds Fischer increment starting from the first move.

As per the FIDE Regulations (FIDE Handbook, §C.10, Article 7.2) at the start of any round a participating team has to be present with more than 50% players. If 50% or less of the players are present at the start of any round the players present are not allowed to start their games. If a player arrives at the chessboard with a delay of more than thirty (30) minutes from the actual start of the round, his game will be declared lost by a forfeit.

### **5. Tie-breaks.**

Each match is scored by match points. A winner gets two (2) points, a draw gives one (1) point to each team, a loss – zero (0) points.

At the completion of the event, teams are ranked by the most number of match points in the final group standings. If two (2) or more teams score the same number of match points, the tie is broken as follows:

- a) Total number of game points.
- b) Direct encounter (the results of the matches between the teams involved in the tie).
- c) Buchholz Cut 1.
- d) Sonneborn-Berger for Team Tournaments A: the sum of the products of the match points made by each opposing team and the match points made against that team.
- e) If the tie still is not broken, then a drawing of lots is done.
