Final dispositions

Registration and participation assume the express acceptance of the provisions contained in this regulation, the FPX and FIDE regulations, as well as the DGS (National Health Authority) rules and the recovery plan of the Portuguese Chess Federation.

It is strictly prohibited to bring any electronic device into the playing area.

In the entrance hall there will be a reception where electronic devices can be left.

Players must appear in the game room with appropriate attire for the event and have a correct and sporty behavior during the competition.

Participants authorize the organization to use photos or videos for dissemination on the Internet and social media. Participants accept the collection and dissemination of test images for use in media that management deems appropriate. The personal data collected is intended only for the organization of the event and for information to registrants about it.

Omissions will be decided by the Race Direction taking into account the FPX and FIDE Regulations, with no appeal against their decisions.

A contingency plan will be drawn up, with all the health rules required during the race, and published on the tournament's official Facebook page.

Failure to comply with the health rules implies immediate exclusion from the tournament, without the right to reimbursement of the registration fee.

This Regulation is subject to the evolution of the Covid-19 pandemic crisis.

The organization reserves the right to:

- admission to the tournament;
- amend the present Regulation until the day of the test;
- the registration in the tournaments makes the acceptance of the present regulation mandatory.
