Letter of Support for the Bulgarian Sports Chess Federation Membership with FIDE

Dear Mr. Martynov,

FIDE and the European Chess Union ("ECU") initiated a unification process in the Bulgarian chess community. The five major Bulgarian Chess Federations sat on the round table convened by FIDE and ECU in Sofia on June 17, 2023. However, the Bulgarian Chess Federation 2022 decided to opt out. All other major Chess Federations appointed representatives in the Provisional Committee.

On June 29, 2023, the Provisional Committee decided to hold unification elections within the legal umbrella of the Bulgarian Chess Federation 64, presided by Ms. Tsveta Galunova at the time.

A total of 52 chess clubs from the four major Chess Federations signed up for participation in the Elective Assembly held in Sofia on September 24, 2023, which elected a new President (Mr. Milen Vasilev) and a new management team of 11 persons (including the new President).

We hereby declare our and our members' full support for the unification process in Bulgarian chess, initiated by FIDE and ECU, and the Bulgarian Sports Chess Federation's application for membership with FIDE, replacing the Bulgarian Chess Federation 1928 as a FIDE member.

We also declare our and our members' full support for the newly elected President, Mr. Milen Vasilev, and the new management team of the Bulgarian Sports Chess Federation, who voted with the participation of our clubs at the Elective Assembly on September 24, 2023.

The members proposed holding joint elections for a new President and Executive Committee members of the Bulgarian Chess Federation at one of the already registered chess associations on September 24 or

October 15, 2023. Mr. Ruslan Toshev expressed concerns that the local mayoral elections in Bulgaria might be held on October 15, 2023. The chairpersons expressed concerns that holding joint elections on the latter date might delay the acceptance of the Bulgarian Chess Federation as a member of FIDE and ECU. After discussion, the members unanimously decided to hold joint elections for a new President and Executive Committee members of the Bulgarian Chess Federation **on September 24, 2023 (Sunday) in Sofia, Bulgaria**, and the Bulgarian chess community will be informed about the date of the elections as soon as possible.

4. Discussion regarding the list of Bulgarian Chess Clubs that will participate in the September 24th, 2023 Elections;
5. Information of all the Bulgarian Chess Clubs regarding the elections process of the “*New Bulgarian Chess Federation Leading Team*”;
6. Other important matters.

Discussion

On point 1:

Mr. Atanas Kurtenkov first proposed that the Elections take place at the Bulgarian Chess Federation 64.

Mr. Kiril Georgiev said that he is willing to accept the nomination of the Bulgarian Chess Federation 64; however, he needs more time so the President of the Chess Federation Bulgaria meets and talk with the President of the Bulgarian Chess Federation 64 by July 10. He said they had no time to meet and talk because both representatives were abroad.

Mr. Ruslan Toshev proposed to hold the Elections at the Bulgarian Chess Federation 1928.

Mr. Georgi Gradev proposed that the Elections take place at the Bulgarian Chess Federation 64.

After a long discussion with the participation of the co-chairpersons where many arguments were invoked by the members, particularly against holding the Elections at the Bulgarian Chess Federation 1928 (e.g., for having an ongoing dispute with the Ministry of Youth and Sports over alleged overdue payables of approx. BGN 38,000), Mr. Georgiev requested a short recess to advise with his colleagues of the Chess Federation Bulgaria, which was granted by the co-chairpersons. The co-chairpersons invited Mr. Toshev to state his final position after the break and clarified that they prefer that the members reach a unanimous decision so they do not have to exercise their veto right.

Upon reconvening the meeting, Mr. Georgiev proposed holding the Elections at the Chess Federation Bulgaria or registering a brand-new chess federation. He said he could not support holding the Elections at the Bulgarian Chess Federation 64 until the two Presidents speak about issues stemming from the latter’s Statutes.

Mr. Toshev reiterated his position in favor of the Bulgarian Chess Federation 1928.

Messrs. Kurtenkov and Gradev insisted on holding the Elections at the Bulgarian Chess Federation 64.

Mr. Florea took the floor on behalf of the co-chairpersons and explained why they decided to exercise their veto right. In particular, Mr. Florea emphasized that the Association Bulgarian Chess Federation had proposed to organize the Elections under the auspices of the Bulgarian Chess Federation 64 and that no other chess federation received the support of another one. Therefore, considering this objective circumstance, the co-chairpersons decided to exercise their veto right and decided as follows:

- 1) **Select the Bulgarian Chess Federation 64** to conduct the Elections in Bulgarian chess under its own Statutes.

The co-chairpersons closed the discussion on this topic by explicitly stating that the decision to hold the Elections in the Bulgarian chess at the Bulgarian Chess Federation 64 is one of technical nature and that it will not, in any event, give any advantage to the said chess federation in the forthcoming Elections or prejudice the rights of the other candidates. In particular, such a decision does not mean that the Bulgarian Chess Federation 64 officials will have any advantage over the other candidates in the electoral process. Every candidate will have an equal opportunity to run for an elected post within the new, united Bulgarian Chess Federation.

Next meeting's agenda items

1. Discussion regarding the list of Bulgarian Chess Clubs that will participate in the September 24th, 2023 Elections;
2. Information of all the Bulgarian Chess Clubs regarding the elections process of the “*New Bulgarian Chess Federation Leading Team*”;
3. Publishing the procedural rules and setting a deadline for the clubs to apply for membership with the association that will hold the elections through July 31;
4. Discussions regarding the set of fair criteria and conditions, including the moral and ethical ones, which will be imposed and published by FIDE in collaboration/coordination with ECU, and after the necessary consultations with the Bulgarian chess community and stakeholders, regarding the individuals who would like to run and to be part of the “*New Bulgarian Chess Federation Leading Team*.” Such a set of criteria and conditions shall be guided by a general good will to provide the best result and based on objective data and facts, not based on the strong positions of any of the parties.
5. FIDE Women's World Team Championship 2023 in Poland, Bydgoszcz - Bulgaria women's national team for FIDE.
6. Chess players for participation in forthcoming international chess competitions – requests to the Committee.

ANNEX A TO THE MINUTES OF THE PROVISIONAL COMMITTEE MEETING

To the meeting of the Provisional Committee held on August 16, 2023

This report is based on the Provisional Committee's decision to instruct Mr. Georgi Gradev to draw a report on the number of existing, notified, and registered clubs for the Bulgarian Chess Federation 64 Elections on September 24, 2023.

➤ Number of chess clubs initially identified – 98

Sources: Bulgarian Registry Agency and Ministry of Youth and Sports

- Bulgarian Registry Agency: A list of clubs members of chess federations were found, which was not updated as later as 2020 to 2022 in the respective federations;
- Ministry of Youth and Sports: The list of clubs members of the Bulgarian Chess Federation 2022 published in the public register contained 56 registered clubs.

➤ Number of chess clubs notified of their right to file for membership with the Bulgarian Chess Federation 64 and participate in the 2023 Elections – 39

- I sent emails with the relevant invitation and template request for membership to 68 clubs – non-members of the Bulgarian Chess Federation 64;
- 30 clubs opened the emails I sent them; 15 returned “mail delivery failure” messages.
- I sent letters to those 15 clubs. 9 of them accepted the letters by post.
- Therefore, a total of 39 clubs accepted our invitation by email or post.

➤ Number of chess clubs – current members of the Bulgarian Chess Federation 64 with a right to participate in the 2023 Elections – 30

I have written emails to all 30 clubs to inform them about their right to participate in the Elective Assembly on September 24, 2023.

➤ **Number of chess clubs that did not receive an invitation file for membership with the Bulgarian Chess Federation 64 and participate in the 2023 Elections but applied – 7**

7 clubs, which I previously unsuccessfully attempted to notify of their right to file for membership with the Bulgarian Chess Federation 64 and participate in the 2023 Elections, filed for membership with the Bulgarian Chess Federation 64 within the deadline.

➤ **Total number of clubs with the right to participate in the 2023 Elections – 53**

30 clubs are current members of the Bulgarian Chess Federation 64. 23 clubs filed for membership with the Bulgarian Chess Federation 64 by the deadline set by the Provisional Committee. Despite being aware of their rights, 23 clubs did not register for participation in the 2023 Elections. It is acknowledged that those 23 clubs are members of the Bulgarian Chess Federation 2022, which does not wish to support the process, and most of the clubs' presidents are members of the Executive Committee of the said federation.

The report is made by Georgi Gradev.

DEAR MR. DVORKOVICH,
DEAR MR. AZMAIPARASHVILI,

As a Minister of Youth and Sports I highly appreciate the declared aims and showed efforts by FIDE (International Chess Federation) and ECU (European Chess Union) in order to guarantee the Bulgarian chess players their fully legal representation in both international organizations' events.

As it is well known, when I took office as Minister of Youth and Sports I became acquainted with the problems in Bulgarian chess. In all the meetings I have held and public positions I have taken on the subject, I have clearly stated my position, namely:

It is the wish of the Ministry of Youth and Sports that Bulgaria and Bulgarian chess players have their deserved and legally recognized place on the international chess scene.

My actions as Minister of Youth and Sports are fully in line with and bound by my powers under the Physical Education and Sport Act.

Therefore, I respect the efforts made by FIDE and the ECU together with the representatives of several Bulgarian chess federations to find a lasting and legitimate solution to allow Bulgarian chess players to participate in the official international competitions organized by the two international organizations.

At the same time, I am not allowed by law to exceed my powers and to participate in any formats, actions or events with a view to legitimizing them in accordance with Bulgarian law, regardless of whether the objectives of these formats, actions or events coincide with my desire as Minister of Youth and Sports, expressed above in my principled position on the situation in Bulgarian chess.

It was with this understanding the recommendation made to the Ministry of Youth and Sports by the formed Interim Commission, namely that the Ministry should not interfere, with no mean, directly or indirectly in the organization of the so-called by the Interim Commission new joint elections process.

Not only because of this recommendation, but also guided by my powers and obligations under Bulgarian law, I inform you that the Ministry of Youth and Sports cannot have a representative, regardless of its role, in the work of the Interim Committee.

I also responsibly inform you that should any of the legal grounds for the revocation of a sports federation's license arise, the Ministry will take the appropriate action provided for in the law, without any appearance of bias or subjectivity.

Once again, I express my respect for the efforts of both FIDE and ECU and hope that a lasting solution will be found in accordance with the current law in Bulgaria to ensure the deserved participation of Bulgarian chess players in international chess competitions.

I remain grateful for your understanding.

Yours sincerely,
Dimitar Iliev, Assoc.Prof.
Minister of Youth and Sports
Republic of Bulgaria
