**Attn.: FIDE GENERAL ASSEMBLY 2025**

Dear Members of the FIDE General Assembly,

In addition to the CFR letter *Ref. No 65 dated 7 October 2025* on the restrictive measures imposed by the FIDE Council with reference to participation of players from Russia and Belarus, the CFR deems it important to also share the following positive updates.

The 2nd Chess Olympiad for People with Disabilities took place within 19-26 October 2025 in Astana, Kazakhstan, and gathered 34 teams from across the world, including a team from Russia. **No incidents related to the participation of the Russian team in the competitions have been recorded.**

The World Women's Team Championship 2025 was held in Linares, Spain, from November 17 to 24. Following the decision of FIDE Council as of July 2025 approving women players' participation in World Women Teams Championship, the Russian women's team has joined the competition and become the Champion. **No incidents were recorded as well.**

Dear Members of the FIDE General Assembly, in view of recent positive developments the CFR finds it appropriate to draw your attention to all the progress, review the current situation and provide, in accordance with the art. 17.2 (h) of the FIDE Charter, the updated guidance in connection to the current situation.

Best regards,

Andrey Filatov  
 CFR President
