Report to the 2nd FIDE Council meeting

In memory of Carol Jarecki.

It was with great sadness that we were informed of the passing of IA & IO Carol Jarecki. Carol passed away on 13 June 2021 at age of 86. She had been a valued member of the Rules commission for more than 2 decades and will be missed.

The Rules Commission held several meetings in the year 2021 and answered Questions and suggestions that were received via E-mails.

Based on the meeting between delegates of the Swiss Pairings, Technical Commission, Qualification Commission, and the Rules Commission in the presence of FIDE Executive Director Mr. Victor Bologan and Ms. Sava Stojsavljevic, the Rules commission is ready to contribute to the tie-breaks system for the FIDE Handbook.

Mr. Stephane Escafre, counsilon of the rules commission continued answering the questions about the Laws of Chess from Players, Trainers or Arbiters via E-mail and this matter was announced via FIDE Social Media and now there are many e-mails received and answered and with the Questions and Answers published on the Rules Commission website.

Rules Commission suggested a few changes in the FIDE Laws of Chess that are in the attached letter.
