## **FIDE TECHNICAL COMMISSION**

**Period: October – November 2020**

Chairman Bharat Singh; Secretary Andrzej Filipowicz

1. TEC continue the work regarding the tournament organizer's guide (Manual) using the Chapter of the Technical Matters in the FIDE Handbook, to prepare the Agenda for the online meeting of Technical Commission on December 2, 2020
2. It concerns
  - a) Tournament requirements and regulations for the FIDE events (standard, rapid and blitz chess)
  - b) Dress code for different level tournament (adults, junior, children)
  - c) Correction of the tie breaks regulations.
  - d) Application for mobile phones.
  - e) We are trying to prepare our remarks regarding the Regulations of online tournaments. The one of the important problems is the proposal of a draw, the draw by 3 times repetition of the same position or 50 moves without playing a pawn or taking any piece or pawn - the technical solution eg. Arbiters should be allowed at any time to get remote control of any Player's Computer to inspect applications and connection using.
3. The corrections of actual TEC Chapter is steal very important part of our activity. It is continue in 2020 year.
4. We wish also to cooperate with many FIDE Commission eg. Events Commission, Arbiter Commission, SPP etc., to discuss the common matters. We will prepare the proposals, after the TEC in December.
