Report of the statutory auditor on the financial statements

As statutory auditor, we have audited the accompanying financial statements of Fédération Internationale des Echecs (FIDE), which comprise the balance sheet, income statement and notes for the year ended 31 December 2012.

Committee's responsibility

The Presidential Board and Treasurer are responsible for the preparation of the financial statements in accordance with the requirements of Swiss law and FIDE Handbook. This responsibility includes designing, implementing and maintaining an internal control system relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Committee is further responsible for selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Swiss Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control system relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control system. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements for the year ended 31 December 2012 comply with Swiss law (article 957 et seqq. Code of Obligations) and FIDE Handbook Financial regulations.

1. FEDERATION'S FORMATION AND OPERATIONS

The International Chess Federation or Federation Internationale des Echecs (FIDE), (the 'Federation'), is the recognized international federation in the domain of chess, which was founded on July 20, 1924 in Paris. The Federation is recognized by the International Olympic Committee as the supreme body responsible for the game of chess and its Championships. The Federation unites national chess federations throughout the world and oversees all International competitions. The Federation is concerned exclusively with chess activities.

FIDE has its registered office in Lausanne where it is incorporated as an association under Swiss Law. Operating head-quarter is located in Athens, with other offices in Elista and Moscow.

2. BASIS OF FINANCIAL STATEMENTS

The accompanying financial statements have been prepared in accordance with the requirements of the Federation's statutes.

The financial statements have been prepared on the historical cost basis.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) **Foreign currency translation:** The Federation changed its functional currency in 2006 to Euro (\in). Transactions denominated in other currencies are recorded in \in at the actual exchange rate as of the date of the transaction. At the end of the financial year monetary assets and liabilities denominated in foreign currencies are translated and reported at the rates of exchange prevailing at the year end. Gains or losses resulting from such foreign currency conversions are reflected in the statement of income. All foreign currencies are converted into Euro as follows:

		2012	2011
1 US (\$)	=	0.772 Euros	0.75 Euros
1 CHF	=	0.823 Euros	0.8 Euros

For purpose of statutory reporting under Swiss law, financial statements are translated from EUR to CHF at closing rate, except for FIDE reserve fund which is kept at historical rate. Items of the income statements are translated using the average rate of the period. Differences resulting from the translation process for presentation purpose are disclosed on income statement in the line currency translation difference.

(b) **Provisions:** Debtors are stated at nominal value, net of provision for doubtful debts, which cover in addition to known doubtful debts, all members in arrears in fulfilment of their financial obligations to FIDE. Based on the FIDE Handbook (A. Administrative Subjects point 0.3 Financial Regulations), a federation that is one year in arrears shall not receive services from the Secretariat and cannot bid for or organize any FIDE event, while a federation that is two years in arrears shall be temporarily excluded and therefore, fully provided against.

Fédération Internationale des Echecs FIDE, Lausanne Notes to the financial statements As at December 31, 2012 (All amounts in Euro)

(c) **Fixed assets depreciation:** Depreciation rate used is 30% per annum on the reduced balance method.

(d) **Revenue recognition:** Membership, entry and other fees are recorded as income in the year they are earned.

4. Cash and bank accounts

The balance of cash at banks does not include the amount of \in 10,876 corresponding to one specific bank account at UBS bank. The aforementioned account, although it is reposted by the bank in its confirmation letters having FIDE as beneficiary, essentially beneficiaries are the America's chess federations. This account had been established for practical reasons, in order to enhance the transactions between various chess federations in the continent of America and as such transactions undertaken by the related federations do not pass through FIDE's accounting books. The account shown on the balance sheet with balance \in 24,986 is called Visa Corporate Guarantee and it is a restricted cash account.

5. Fixed assets

The movement of cost and related accumulated depreciation of the fixed assets in the accompanying balance sheet is the following:

6. Provision for Staff Retirement Benefits

Under Greek labor law, employees are entitled to termination payments in the event of dismissal or retirement, with the amount of payment varying in relation to the employee's compensation, length of service and manner (dismissed or retired) of termination, which if due to retirement is 40% of the amount payable upon dismissal. Employees who resign or are dismissed with cause are not entitled to termination payments. The number of employees who will eventually be dismissed or retired in subsequent years is not known; the maximum liability under the provisions of Greek labor law, if all employees had been dismissed at 31^{st} December 2012, would have been \in 19,978 (2011 \in 21,443.33) for which a provision has been made.
