

## **Jamaica Chess Federation proposal**

Closer to the Olympic Movement – FIDE should consider officially and publicly adopting the Olympic Creed and the Values of Olympism.

- a. The Olympic creed, The important thing in life is not the triumph, but the fight; the essential thing is not to have won, but to have fought well.
  
- b. The three values of Olympism are excellence, friendship and respect. They constitute the foundation on which the Olympic Movement builds its activities to promote sport, culture and education with a view to building a better world
